

# DFM® Mushroom Exit Button

## Vandal Resistant & Weather Proof

WEL2440

WES2440

DFM® heavy duty mushroom exit button is designed to be installed in an application where it is at risk of being subject to vandalism or tampering, as in the case of a public area or even prison. The IP65 rated metal housing provides protection against dust, rain and snow, and ensures that it can be operated in all outdoor conditions.

### Main features:

- All metal construction - heavy duty and vandal resistant
- Large zinc alloy mushroom head (40mm in diameter) - easy to press
- Epoxy sealed; IP rating 65 - weather resistant
- Stainless steel GPO mounting plate; also can fit in a standard 35mm mounting block
- Architrave style available - WES2440
- Isolated NO and NC contacts

### Specifications:

- Isolated 1 x NO and 1 x NC contact - 4 x flying wires
- Current/voltage max: 10A/250VAC
- Contact resistance max: 20m
- Colour: green or red
- Dimensions: 115 x 70 x 30mm - standard; 75 x 30 x 30mm - architrave
